Sportinstitut Clausthal

We, as the sports institute of TU Clausthal, advocate for fair play, adherence to rules, and fair treatment of one another. This applies to all individuals involved in university sports, whether students, volunteers, part-time or full-time staff, coaches, members of the student national team, and participants in national, European, and international sports and competitions.

I am aware that as a participant in university sports, I share responsibility for a respectful, safe, and fair environment. As part of my participation:

- ✓ I respect the right of all participants to physical integrity and do not use any form of violence – neither physical, psychological, nor sexual. In sports with sport-specific physical demands, I adhere to the rules of fair play and treat others with respect.
- ✓ I am aware that individual perceptions of closeness and distance differ from person to person. I adjust my behavior and actions accordingly in sporting interactions and respect the personal boundaries, characteristics, and special features of all participants.
- ✓ I actively oppose any verbal or nonverbal form of discrimination (racism, sexism, homophobia, transphobia, etc.) or hurtful behavior (boundary violations, harassment, bullying, etc.).

- ✓ I respect the self-determination of all participants in sports and non-sports activities

offered by university sports and accept their individual personalities, needs and limits.

- ✓ I am aware that my behavior also influences the interactions within university sports. Therefore, I cultivate an open and appreciative approach to others and behave respectfully and considerately towards fellow human beings and nature.

- ✓ I am aware of the possibility of contacting the equal opportunities officers of TU Clausthal as well as the university sports officials in case of uncertainties, questions and/or incidents in the spectrum of boundary violations, discrimination and sexualized violence.

By clicking this link, I acknowledge that I have read the code of conduct and agree to abide by it. I will respond appropriately if this code of conduct is violated in the course of my work in university sports.
