

Rules of the artificial grass pitch

1. Costs:

- The use of the artificial grass pitch is free for **TUC-students. Employees and guests** just need a daily card or a semester card. In the newest pecuniary regulation you can find the prices.
- You can get the daily and semester cards at the office (Mon, Tues, Thu, 10-12 am / and according to prior agreement).
- Furthermore the daily cards can be acquired at the room of the Sportwarte.
- The artificial grass pitch can also be used by guest groups for 20,00 € / hour (with free capacity).

2. Reservation:

- The artificial grass pitch can be reserved up to two weeks beforehand.
- The reservation time is 1,5 hours maximum.
- The tenant enters his contact information such as address, telephone number and email address to the list at the desired time.
- Entered appointments must be perceived or annulled timely. In case of non-compliance with these rules a suspension of the affected people/ groups by the SITUC is possible.

3. Use of the field:

- The reserving person carries the responsibility that all users acquired the required daily or semester cards before using the field (see paragraph 1/ costs).
- The artificial grass pitch is only allowed to be entered with suitable footwear such as artificial grass pitch shoes, hall shoes and multi-stud shoes. The Sportwarte can refuse the access to the field if the users don't wear the suitable footwear.
- **The consumption of chewing gum, candy and sugar- containing beverages within the eternal space is prohibited. Smoking and the disposal of cigarettes on the artificial grass pitch is not permitted.**
- After usage, the grass pitch is to be squeegeed with the available mats (see the instructions hanging next to the field)
- The sports institute reserves the right to control student cards, daily and semester cards, the required footwear and the groundskeeping of the grass pitch. In the event of failure to comply with the rules, the users can be expelled from the field.

- The usage of the artificial grass pitch is dependent on the weather. If there is snow or ice in winter the field is closed.

**Users of the artificial grass pitch do so at their own risk.
Participants are not insured by the LUK (Landesunfallkasse) but only by
their own insurance!!!**
